Road Allowances Must Be Kept Clear of Brush by the Land Owner or Occupant

Municipal District of Montgomery Deals With Sveral Important Matters At Regular Meeting

The regular meeting of the Council of the Municipal District of Montgomery No. 458 was held in the Council office on Saturday, October 6th. All the Councillors were present with the exception of Councillor Shantz.

The minutes of the last meeting were read and adopted on the motion of Councillor Maynard.

Correspondence was read from the following: Canadian Pacific Railway re the road diversion on the S. 34 33-47-24-4. Moved by Councillor Thompson that the Department of Public Works be asked to pay for the right of way appropriated on the S.W. 1/4 and that the diversion on the S.E. and east corner of the S.W. be cancelled. Carried.

Department of Public Works re the sale of the right of way at N.E. 32-47-24-4. Moved by Councillor Thompson that this Council consent to the sale of the right of way, running along the eastern boundary of the N.E. 32-47-24-4 which has been abandoned owing to the new location of the Calgary-Edmonton highway, to Mr. Brinker. Carried.

The Provincial Weed Inspector submitted a report as to his investigation of the complaint made to the Council re the Sow and Canadian thistles on N.W. 24-44-23-4. He stated that upon investigation he found that there was evidence of patches of thistles but that they had been taken care of at different periods during the season. In cases where the growth was sparse he found that the thistles had been pulled and placed in sacks and were being burnt as quickly as possible. In conclusion he stated that if every one in the Municipality had taken care of their thistles as Mr. McKenna had done that he would be very well satisfied. The District Weed Inspector's report was read and filed.

The Alberta Association of Municipal Districts notified that the annual convention would be held at Calgary on November 21, 23 and 25. Moved by Councillors Bussard and Maynard that Councillors Ballhorn and Thompson be the delegates to the Convention. Carried.

Moved by Councillor Maynard that the resolution requiring the owner or occupant of land to keep the road allowances clear of brush once they had been cleared at the public expense by power of a bylaw in those Municipalities wishing to make one, be sent to the Convention. Carried.

Moved by Councillor Bussard that the business tax on elevators be at a flat rate of \$30 per elevator. Carried.

Moved by Councillor Bussard that the Reeve and Treasurer be empowered to borrow from the Bank of Montreal a further sum of \$10,000 as required to meet current expenditure on the General Fund. Carried.

The following School Districts sent in certified returns of the destruction of animal pests and were awarded the prizes as appended: Rose Briar School District, \$25; Battle Lake School District, \$15; Star School District, \$10; Bulyea School District, \$5; Peace Hill School District, \$5; Haultain School District, \$5.

Moved by Councillor Maynard that the bills and paychecks be passed for payment. Carried.

Moved by Councillor Thompson that we adjourn. Carried.

BARN AND HORSES BURNED IN HAULTAIN DISTRICT

A serious fire occurred in the Haultain district about four o'clock on Thursday morning of last week when the barn belonging to Mrs. Ida Eklund and Sons was entirely consumed, together with a large quantity of hay, six head of horses, harness and some machinery. The cause of the fire is unknown and the first intimation the family had of the disaster was when they were called by neighbors, but by that time the building was a seething mass of flames. The loss is estimated at about \$2500, partly covered by insurance.

AUTOMOBILE DESTROYED BY FIRE NEAR HOBEBMA

A few days ago Scott Farnham's automobile was consumed by fire about a mile from Hobebma. Mr. Farnham, who was driving the car at a loss to know how the catastrophe started, as the first intimation he had was when the flames burst forth, and he and the other occupants of the car had to make a hurried exit to save themselves from being burned. We understand some insurance was carried on the car.

CHILDREN BADLY HURT IN RUNAWAY ACCIDENT

The son and daughter of Mr. and Mrs. E. E. Sparks of the Fulton district, were badly injured Tuesday morning while driving to school. It appears one of the horses bolted, and in endeavoring to stop the animal the line broke, allowing the team to run away. The daughter had both legs broken, one at the knee and the other at the thigh, while the son had both bones in his ankle broken. Both the unfortunate children are patients in the Wetaskiwin hospital, where they are receiving the best attention.

Town Topics

Threshing is practically completed in this district, and many of the machines have pulled in for the season.

A meeting of the W.A. will be held at the home of Mrs. H. W. Wright, Lorne street, on Tuesday, October 23, at 3 p.m.

Mr. and Mrs. A. F. Landell of Revelstoke, B.C., are visiting at the home of Mr. and Mrs. E. Landell. The men are brothers.

Mr. Paul Hupfänger of Calgary, who has been spending the past month with Mr. and Mrs. Ed. Ryan, returned to his home on Monday.

Mr. Carruthers, chief government inspector, and Mr. McLeod, assistant inspector, were inspecting the fox ranches in the community this week.

Gordon Fraser, who has been in Edmonton for some time, is spending a few days with his parents, Mr. and Mrs. J. E. Fraser, before going to Esquimaut, where he will make his home.

A. G. Gross, who has been in the district for a couple of weeks renewing the acquaintance of his many friends, is looking after his business matters, left for his home at Puyallup, Wash., Wednesday morning.

Oliver Roulstone, who has been attending to business affairs and shaking hands with his many friends here for the past couple of weeks, left Wednesday morning for the coast. He expects to spend the winter in California.

Rev. C. Thies of Edmonton, preached in Zion Lutheran church last Sunday morning and also took the service at Waldheim Lutheran church. Mrs. Thies spent the day with Rev. and Mrs. Appel of Nanton street, returning to Edmonton on the 9:45 p.m. train.

Those who attended the Diocesan Convention of the C.W.L. held at Camrose on October 13th and 14th were Mrs. N. Begun, delegate, and Mesdames Fred Bourque, Ralph Powrie, T. L. Bourque and A. L. McIlhargy, and Miss Hinchberger and Miss Sullivan.

The strong wind, which sprung up suddenly on Wednesday morning, accompanied by rain, has broken the several weeks' of exceptionally fine weather enjoyed by this community. There has been no snowfall here, but reports state that snow has fallen in the surrounding districts.

Messrs. Urban and Julian Weller, who have been visiting in Wetaskiwin for some time, left by motor on Monday of this week for their home in Burlington, Wisconsin. They were accompanied by their uncle, Mr. Matthew Weller, who will spend a short time visiting relatives in Burlington, and also by Miss Monica Weller.

On Monday of last week a surprise party was given by some of the friends of Miss Monica Weller at the home of Ethel Barnett. Cards were played during the first part of the evening, the prizes going to Monica Weller and Kathleen Walker. During supper, Mrs. Barnett, on behalf of the girls, presented Monica with a beaded purse and silk handkerchief. The rest of the evening was spent in dancing. Miss Rita Weller supplying the music. Those present were: Monica Weller, Laura, and Kathleen Walker, Mary Dixon, Francis Roulstone, Dorothy Preston, Norah Gibson, Emmeline Abusaty, Betty Dixon, Ethel Barnett, and the Misses Hinchberger, Rita Weller, and Morton. Monica left this week for the States.

GIRL GUIDE NOTES

The Girl Guides of Wetaskiwin held their weekly meeting last Wednesday evening, many new Guides being added to the roll, making thirty-two altogether. Physical training and marching was carried on under the direction of Miss Dickson, then some games were played.

The tea and food sale held last Saturday was a great success.

Prince Edward Island is the most fully cultivated province or state in all America.

C.P.R. President Visits Wheat Champion.

Herman Trelle is one of the men of foreign birth who is doing things for Canada. He is now the owner of a fine farm in the Peace River country near the town of Spirit River. At the Chicago Live Stock Exhibition of 1926 he won the prize for the world's best wheat, and he is working on the development of a new early-ripening wheat which, he says, will revolutionize farming throughout northern Canada. When E. W. Beatty, and his party of Canadian Pacific directors were in the Peace River country recently they visited Mr. Trelle's farm where the important work of threshing was interrupted long enough to have the above photograph taken. Mr. and Mrs. Trelle are in the center, on the right is Mr. Beatty, and on the left is Sir Herbert Holt.

WEATHER RECORDS PAST THREE YEARS COMPARED

We have received from Stanley Griffiths, who has charge of the Government Meteorological Observatory for Wetaskiwin, the following temperature records, covering the past three years, which will be of great interest to all those who are watching the weather conditions:

	1926	Max.	Min.	Rain ins.
Aug. 1st to 7th	79	38	.35	"
Aug. 7th to 14th	72	36	.74	"
Aug. 14th to 21st	73	34	.36	"
Aug. 21st to 31st	82	36	1.90	"
Total rainfall for August			3.55	Inches

	Max.	Min.	Rain ins.
Sept. 1st to 7th	65	40	1.88 "
Sept. 7th to 14th	70	26	.04 "
Sept. 14th to 21st	59	21	
Sept. 21st to 30th	68	16	
Total rainfall for Sept. 1.92 inches.			
Inches of snow fell between the 14th and 21st			

	Max.	Min.	Rain ins.
Oct. 1st to 7th	77	22	.24 "
Oct. 7th to 14th	53	17	.05 "
Oct. 14th to 21st	57	19	.05 "
Oct. 21st to 31st	65	15	.02 "
Total rain for October .36 inches. A little snow fell, but not enough to measure.			

	1927	Max.	Min.	Rain ins.
Aug. 1st to 7th	82	40	.01	"
Aug. 7th to 14th	85	37	.02	"
Aug. 14th to 21st	78	39	.02	"
Aug.-21st to 31st	82	35	.11	"
Total rain for August	5.5	ins.		

	Max.	Min.	Rain ins.
Sept. 1st to 7th	79	31	.60 "
Sept. 7th to 14th	74	33	1.04 "
Sept. 14th to 21st	68	23	.03 "
Sept 21st to 30th	77	25	.37 "
Total rain for Sept. 2.04 inches. 1½			
Inches of snow fell between the 21st			
and 30th.			

	Max.	Min.	Rain	In.
Oct. 1st to 7th	56	17	.27	"
Oct. 7th to 14th	62	25		
Oct. 14th to 21st	70	25		
Oct. 21st to 31st	60	15	.20	"
Total rain for October			.47	inches
Inches of snow fell between the 1st and 7th.				

	1928			
	Max.	Min.	Rain in	
Aug. 1st to 7th	77	39	.38	"
Aug. 7th to 14th	88	37	.50	"
Aug. 14th to 21st	73	32	.50	"
Aug. 21st to 31st	76	28	.25	"
Total rain for August 1.93 inches.				

	Max.	Min.	Rain	In.
Sept. 1st to 7th	83	35	.38	"
Sept. 7th to 14th	75	24	.	"
Sept. 14th to 21st	77	25	.13	"
Sept. 21st to 30th	82	14	.	"
Total rain for September .51 inches				
There was a flutter of snow between the 1st and 7th.				

	Max.	Min.	Rain ins
ct. 1st to 7th	63	14	
ct. 7th to 14th	61	20	.01 "

There have been several very light showers of rain, not enough to measure, and two occasions when a few flakes of snow fell.

RECORD ALBERTA HEN

A White Wyandotte hen belonging to Thomas Hill & Sons, Ponoka, has just completed a trip-record of 243 eggs in 365 days under government supervision. But more remarkable than the figure, which was beaten by another bird in this record-of-performance flock with 299 eggs to her credit, is the fact that the 243 eggs averaged 24 ounces, that she weighs seven pounds now and although a heavy producer, her type and plumage please the fanciers of show birds. The owners refused \$75 for her.

The Times does commercial printing at right prices.

A. B. MACKAY URGES FEDERAL AID FOR CANADIAN ROADS

Winnipeg, Oct. 12. — The Federal Government will be urged to appropriate \$50,000,000 for the building of new highways and the improvement of existing roads by the Canadian Automobile Association.

In annual convention here yesterday the association adopted a resolution presented by A. B. MacKay, of Calgary, president of the Alberta Motor Association, urging Federal aid for highway construction, the various provinces to contribute on a fifty-fifty basis, as heretofore.

"The improvement of transportation facilities is still the key problem in the national endeavor to unify Canada, as it was in the time of Confederation," said Mr. MacKay. He declared Federal aid was a national issue.

Other resolutions adopted urged that Canada advertise more extensively in the United States its outdoor attractions, and that the teachers of Manitoba complete its part of the trans-Canada highway—38 mi. s. from Elva to the Ontario-Manitoba boundary.

SCHOOL NEWS

Last Friday a very pleasant evening was spent at the home of Mrs. H. C. R. Walker, when the teachers of the Alexandra Public School entertained the High School staff and the teachers of the King Edward Public School. The evening began with a guessing contest, in which Miss E. Walker and Mr. Fletcher were the lucky winners. The party then sat down to a lively game of Court Whist, the prizes being won by Miss Ward and Mr. Fletcher. A tasty lunch, followed by dancing, brought a memorable evening to a close.

The High School girls are away to a good start in basketball again this year. Six enthusiastic teams competed, with one another and all went down to defeat before the champion team, made up of Mary Dixon, Lillian Broadbent, Florence French, Legie Holmud and Dora Baxter. This team throws up a challenge to any other girls' basketball team in the district.

Our School Prayer

Lord, let me emerge from school this year older and wiser. May my conscience be clear and my head full. Make school my guiding star, the bright spot on my horizon. Give me a light heart, but a heavy mind to take with me every morning. Lead me to respect and obey my teachers, whether their hair be grey or golden. Help me forgive my fellow pupils and do unto them as they do unto me. Grant that I know my history as well as I do my memory work, and appreciate my Shakespeare as I do our Town Times. Deliver me from the absorbing contemplation of my neighbor's work and lead me not so deeply into the throes of algebra and geometry that I cannot extricate myself without disaster. Give into my hand and also my neighbor's the pecuniary means of buying our own art paper. May I go home at four o'clock prepared to spend the rest of the day in homework and happiness. Send me to bed at night with my teeth clean, and feeling confident in the assumption that virtue has its own reward, and we are dealt with accordingly.—G.W., Grade XII.

Tommy—"Do you know why the hand on the statue of Liberty is only eleven inches long?"
Dick—"No, what's the reason?"
Tommy—"Well, you see, if it were another inch 't would be a foot'."

DR. WALLACE WILL ADDRESS BOARD OF TRADE LUNCHEON

The members of the Board of Trade of Wetaskiwin are to be favored at their monthly luncheon, which will be held on Friday evening of next week, Oct. 20th, by an address from Dr. Wallace, newly appointed president of the University of Alberta. The luncheon will be held at the Grand banquet room. Another feature of the occasion will be the distribution of the prizes for the standing crops competition. Every member should be present to hear the address of Dr. Wallace.

Weddings

WHITEHEAD—PROVO

A pretty wedding took place at the Presbyterian Manse on Sunday, Oct. 14, when Ethel Evelyn, second daughter of Mr. and Mrs. Thomas Andrews Provo, of this city, became the bride of George John Whitehead, only son of the late John Whitehead, of Vancouver, B.C.

Rev. P. C. McCrae officiated at the ceremony. After a short honeymoon at Calgary and Banff, the happy couple will proceed to Vancouver, where they will make their home.

Obituary

PETER LARSON

The death occurred on the 14th inst., of Peter Larson, age 36 years, of the Brightview district. The funeral took place on Tuesday afternoon from the residence of his son-in-law, N. M. Nelson, to Brightview cemetery. Rev. Miller officiated.

CARL LUDWIG KEEHN

Carl Ludwig Keehn, age 78 years, of the Peace Hill district, passed away on Saturday last. The funeral took place on Monday afternoon, interment being in the Peace Hill cemetery, Rev. Ohlinger conducting the service.

PRESENTATION PARTY IN HONOR OF MR. E. N. RATTRAY

A very successful gathering took place at the residence of Mr. and Mrs. Louis Olson of Lone Ridge, on Saturday evening last, Oct. 13th. The purpose of the occasion was the presentation of a chair by the Councillors and their staff, together with ratepayers of the Municipal District of Bigstone, to Mr. E. N. Rattray, their retiring secretary, in appreciation of his ten years' useful service to the Council and public and in token of their good will and regret at his retirement.

After a short address by Reeve J. L. G. Rattray, Mr. E. N. Rattray, in a few words expressing the good-will and best wishes of those present and those who were unfortunately unable to attend, formally presented the chair to Mr. E. N. Rattray amid the boisterous acclaim of the entire party. When the presentation was finished "Ed." was assisted to his new piece of furniture and hoisted to the ceiling, where some kind gentleman lifted Mrs. E. N. Rattray to a seat beside her husband and they were "hoisted" to the accompaniment of wild applause.

In his reply, Mr. E. N. Rattray thanked those concerned for their handsome presentation, stressing his appreciation of the motive behind the gift and closed assuring the Council and his successor-in-office of his further co-operation.

The rest of the evening was spent with music and conversation and a splendid supper was served by the ladies. Those present were: Mr. and Mrs. J. L. G. Rattray, Mr. and Mrs. H. Arnold, Mr. and Mrs. H. Krause, Mr. and Mrs. John Hanson, Mr. and Mrs. C. Isaacson, Mr. and Mrs. E. N. Rattray, Mr. and Mrs. T. S. Steedman, Messrs. C. J. Hanson, J. V. Holm and Dr. McColgan. Several other friends and neighbors arrived during the evening and helped to make it an entire success.

Before the guests went home Reeve Rattray called on those present for a vote of thanks to Mr. and Mrs. Louis Olson for their hospitality, which was heartily responded to. The party then broke up amid mutual expressions of friendship and satisfaction at having had a good evening.

GOV. GENERAL OF CANADA DONATES BRONZE MEDALS

His Excellency, Viscount Willingdon, Governor-General of Canada, has donated bronze medals for competition in the Public School Leaving Examinations. A medal is awarded to the candidate taking the highest aggregate in each Inspectorate. In each of the larger cities, Edmonton and Calgary, two medals are given. The medals in Central Alberta have been awarded as follows for 1928:

Althea Sven Fred Hanson, age 14, Kensington School, Perintosh.
D. Grace Vickers, age 13, Lacombe.
Annie Catherine Holmavalk, age 15, Big Valley.
Louise Larsen, age 13, Hay Lakes.

October Session Mun. District of Bigstone Council

New Assessment to Take Place Over Entire District During Coming Year

A meeting of the Council of M.D. of Bigstone No. 459, was held on Oct. 8th at Lone Ridge. Present: J. L. G. Rattray (Reeve), Councillors C. J. Hanson, C. Heilmann, H. Arnold, H. Krause and J. Hanson.

The minutes of the former meeting were read and adopted on motion of Coun. C. J. Hanson.

A letter was read from Mitchell's Agencies regarding the Wild Lands Taxes charged against the S.W. 36-47-26-4. Moved by Coun. H. Arnold that wild lands taxes on this land be cancelled for 1927. Carried.

A letter from Karlex Systems was read and filed.

A letter from the Red Cross Society was read and filed.

A letter from the Department of Municipal Affairs was read and filed.

A letter from the M.D. of Blainman was read, asking for information relative to the cost of operating power outfit. The Reeve instructed the Secretary to supply the information as soon as available and convenient.

The application of Laura Gallette for reduction of assessment on property at Ma-Me-O Beach and on the N.W. 18-46-27-4, was then considered. The Reeve pointed out that a new assessment would take place over the entire district next year and Coun. J. Hanson moved that the assessment on applicant's property stand as at present assessed. Carried.

Coun. J. Hanson brought before the Council the matter of the ditch on the S.E. 14-28-27-4, and L. Edlund. Moved by Coun. J. L. G. Rattray that the secretary be instructed to take the necessary proceedings to carry this matter forward. Carried.

Weed Inspector R. C. Young read his report.

The Secretary brought before the Council the matter of the condition of the typewriter at present in use in the office. Moved by Coun. H. Krause that secretary take steps to secure a better one. Carried.

Moved by Coun. Arnold that A. P. Mitchell be paid \$90 for 1.49 acres of land expropriated for road purposes on the N.W. 25-47-25-4. Carried.

Bills and paychecks were read and passed on motion of Coun. J. Hanson. As no other business was brought up, the meeting was then adjourned by the Reeve.

STEWART WILL URGE ADDITION TO POST OFFICE

Edmonton, Oct. 12. — Placing of \$300,000 in the federal estimates for an extension to the Edmonton post office will be pressed for by Hon. Charles Stewart, minister of the interior and member for West Edmonton. On his arrival here in his private car on Thursday morning, the minister announced that in view of facilities at the central post office being inadequate, he will urge that funds be provided at the next session of the federal house for the erection of an addition.

Queried in regard to the C.P.R. purchase of the northern railways, the minister gave it as his opinion that the C.N.R. will accept the proposal of the C.P.R. to participate on a fifty-fifty basis. It would be necessary, however, for approval of such action to be first given by the directors of the C.N.R. and then the deal would have to go to parliament.

ROUND HILL WILL VOTE ON LOCAL OPTION SOON

Arrangements have now been completed for the taking of a local option vote in the Round Hill district on November 3rd. Chas. Walker has been appointed returning officer. While the total voting strength of the village of Round Hill would ordinarily be small, advantage has been taken of certain changes in the act to enlarge the territory involved in the plebiscite, and it is anticipated that some three hundred votes will be polled. The vote centers on the question of "beer or no beer."

THANKSGIVING DAY MONDAY, NOVEMBER 12

Thanksgiving day will come this year on Monday, November 12, which will also be observed as Armistice Day. The date has been announced at Ottawa as a Dominion holiday and will be gazetted in each of the provinces to make the observance uniform throughout Canada.

Insolvency has taken a few orders, but it never held a job long.

conflicting sections, and that the matter should be straightened out.

In order to obtain something definite and official on speed-rates, this magazine obtained a copy of the Vehicle and Traffic Act from the attorney general's department. The section that regulates speed on highways is as follows:

43. No person shall drive a motor vehicle on a highway recklessly or negligently, or at any rate of speed which is unreasonable, having regard to all the circumstances of the case, including the nature, condition and use of the highway and the amount of traffic which there is or might reasonably be expected to be on the highway.

2. Any fire engine or motor vehicle used for bringing any number of a fire brigade or policeman or any fire appliance to a fire, be operated at such speed as is reasonable and proper, having regard to the traffic ordinarily upon and the use made of such highway and to the fact that it is so proceeding.

3. Any person driving any motor vehicle within any town, village or city at a greater speed than 20 miles per hour or at a greater rate than 10 miles per hour in turning a corner or at a greater speed than 20 miles per hour upon any highway outside of any city, town or village, shall prima facie be deemed to be driving at an unreasonable rate of speed.

(4) Any person driving a motor vehicle when approaching or at a street corner or curve, where the driver of the vehicle has not a clear view of the approaching traffic, at a greater rate of speed than 10 miles per hour in a city, town or village, or 12 miles per hour outside of a city, town or village, shall prima facie be deemed to be driving at an unreasonable rate of speed.

The burden of proving that the rate of speed was reasonable is placed upon the driver under these clauses.

For those driving over such a main highway as that between Edmonton and Calgary, or from Calgary to Banff, a speed of 40 or 45 miles per hour may be reached under the clauses quoted. While motorists may attain that rate, it must be understood that the conditions prevailing at the time must be such that the speed is reasonable.

If, for instance, traffic is congested, or if a car is approaching, or even if one is passing another auto, then 40 or 45 miles per hour would be excessive. But if the circumstances are different and the element of safety is apparent, then a driver is not violating the act by running his car at a greater rate than 30 miles per hour upon a provincial highway.

FIRE WARNING

All stove and furnace pipes should be clean and free from holes. Keep wood box at safe distance from stove, and do not use it for a rubbish container.

Asbes should not be allowed to accumulate around the furnace, and never pile them against wood.

Gasoline and coal oil stoves should be filled, cleaned and trimmed in the daylight, and away from any open flame.

Where stove pipes run through roof, attic, closets or concealed spaces. Hidden stove pipes cause innumerable fires, especially in severe cold weather.

These are the base of most dwelling fires, closely connected with their outlets are stove pipes, flues and chimneys, therefore it is essential that their safety be carefully looked to.

Bachelors and those living alone often start fires in the house, leaving without attention, while doing chores.

Try Magnesia
For Indigestion

People who suffer from indigestion usually have a bad taste in the mouth, and various digestive aids and not little more than slight temporary relief—sometimes not even that. But before giving up to chronic dyspepsia, just try the effect of a little commercial carbonate, citrate or milk-magnesia. These are the ordinary food tablets with a little water after your next meal, and you will find a difference. It will instantly neutralize the dangerous harmful acids in the stomach which now cause your food to ferment and sour, making gas, bloated or heavy, lumpy feeling that seems to follow most everything you eat. You can enjoy your meals without a fear of indigestion.

PA'S SON-IN-LAW

THE YEAR OF HOMEGOING.

The reaper thresher garners a bumper crop, and the man of the west contemplates the golden stream as it poured from wagon to conveyor. (Inset)—On the Duchess of Athol, homeward bound.

There has been a record crop. The West will continue to flourish. In a thousand cases, a few years of struggle with nature has been rewarded. And what will it mean? More roads, more cars, more machinery, more streets and stores and homes and radios. A brisker trade, more industrial activity in the east, more shipping and more car loadings per mile. More wheels turning all over the country.

But the man whose labours by the favour of Providence has been mainly responsible for all this. His threshing done, he has time now to think of other things than wheat and rain and frost and sun and harvesters, and the rail and steamship companies are anticipating his thought. In a few weeks now, there will be a feverish packing of bags, a collecting of the children, a donning of new hats and shoes and a rush for the trains.

This, say the transportation officials will be the year of the home-going. The English, the Jersey Islanders, the Scotch and the Irish and the Continentals too. The Canadian Pacific officials foresee so great a trek, that they have already planned many special trains out of the West, and many steamship sailings which will facilitate the movement and ensure Christmas and New Year's with the old folk and an inexpensive journey in comfort and luxury.

Prevent such fires by closing the drafts and securely fastening the stove doors before leaving.

Remember that the use of kerosene for starting or quickening fires in stoves and ranges is dangerous, and one should be in a quiet, restful attitude of mind. To secure these aids to proper digestion, it is well worth the effort to rise a few minutes earlier each morning, and start the day right, with a properly eaten breakfast.

Included in every breakfast menu should be fruit—fresh, such as oranges, or dried fruits stewed, like prunes; milk, either as a cereal or in cocoa or by itself; also a cereal. Whether or not one requires eggs or bacon depends upon the type of work done, and also upon whether or not the noon meal is a light one. In every case, the food should be properly masticated, and not gobbled or washed down with a drink.

Children who are sent to school without a proper breakfast are not receiving a fair chance. We not only feel better, but we are really more capable of physical and mental work if we start the day with a good wash and a comfortably eaten, suitable breakfast.

Questions concerning health, addressed to the Canadian Medical Association, 134 College Street, Toronto.

Bad Taste in Mouth
In the Morning

When you wake up in the morning with a furry tongue and a bad, bitter taste in your mouth you may be sure that your liver is not functioning properly and requires attention at once.

Mrs. S. J. Canning, R.R. No. 1, Severn Bridge, Ont., writes:—"On rising in the morning I found I had a bad taste in my mouth which I later found out was due to the bad state of my liver. The clerk in the drug store suggested that I try

will be answered by letter. Questions as to diagnosis and treatment will not be answered.

HORSE SENSE

(Renfrew Mercury)

Fred Ducharme, of Lochiel St., Renfrew, tells a horse story. Last Friday morning, a horse owned by him got loose in the stable and left the stable for the open air. Wandering around and eating grass, it cast a shoe. It then went to the Dagg blacksmith shop, not far away, and took the position there. It is accustomed to taking when being shod. The hour was early and the forge still silent. Mr. Dagg noticed the horse from his house and knowing who owned it concluded that the animal was wanted for early morning business. The work was attended to and the horse taken back to the stable. Mr. Ducharme thinks there is a good deal of horse sense about old Dobbin.

WHY ARE "DUDS"?

Every high school has its quota of so-called "duds," pupils who do not measure up to the standard set for high school accomplishment. In most cases one or two causes seems to be active; either the student is not interested in the sort of work that the high school offers him, or he lacks the necessary mental equipment. It is not often that a pupil is found who is constitutionally lazy; many children who appear to be lazy could be induced to work if the right stimulus were found or if they were given work that they had the ability to do.

It is folly for the teacher to tell an uninterested or incapable child that he is a "worthless good-for-nothing"; usually it is not true. On the other hand it is no economical administration for school boards to allow the schools to be cluttered up with uninterested and incapable children. And parents who insist on such children "getting an education" very often have a mistaken idea of the meaning of the word education.

The trouble at the present time seems to lie, not so much in the lack of facilities for training children who will not or can not do justice to academic instruction, as in the lack of facilities for advising pupils as to the type of training suitable to their needs and capabilities.

CALGARY CHOSEN FOR NEXT PROVINCIAL W.C.T.U. MEET; PRESIDENT IS RE-ELECTED

Calgary will be the meeting place for the next annual convention of the Women's Christian Temperance Union of the province, according to an arrangement made on the second day of the 24th convention, being carried on in Didsbury at the present time.

With 61 delegates registered and voting, Mrs. L. C. McKinney, of Claresholm, popular president of the past, was re-elected to lead the W.C.T.U. once more. Other officers chosen were: Vice-president, Mrs. W. White, of Nanton; corresponding secretary, Mrs. T. A. McArthur, of Medicine Hat; recording secretary, Mrs. L. Union came second, with 115, and

McPherson, of Holden; treasurer, Mrs. J. I. Poole, of Wetaskiwin; young people's union, Mrs. Lonsberry, of Lethbridge, and Loyal Temperance League, Mrs. Martin, of Edmonton.

Prize winners in the recent temperance essays were awarded as follows: Grades 11-12, Phyllis Collier, Viking, \$10; Grades 9-10, Mike Sawchuk, Marvill, \$10; Grades 7-8, Hugh Thompson, Garneau School, Edmonton, \$5; Grades 5-6, Bessie Samuel, Youngstown, \$5.

"A membership of 2,500" was chosen as the slogan for 1929 and the daisy chain campaign will be continued. The Victoria Union, Edmonton, has the largest union in the province with 292 members, while the Calgary West End Union came second, with 115, and

Claresholm third, with a membership of 105.

The report on legislation showed that a large number of the various unions were interested in and giving much time to the study of important questions. "Travellers' Aid work undertaken by the unions and calls for assistance showed the value and need of this work, it was said.

"With respect to the work done among the young, leadership is everything," declared Mrs. Parke. "Guidance is a factor of such importance during the formative period that if any broad spiritual scheme is to be put through it must include a volume of wisdom, thoroughly permeated with divine love and human understanding, divine love and human understanding."

Mrs. Parke suggested that the following topics for the essays did much to inspire workers among the members everywhere, as well as making the matter interesting to the boys and girls. Popularizing the anti-cigarette sentiment should be done, she said.

Mrs. A. E. Cook, of Edmonton, superintendent of White Ribbon Tidings, reported great interest being taken in sending in the news of the doings of the unions. Mrs. J. E. Nix, Edmonton, reported another educational campaign, launched by the Union of Dominion through the "Witness Contest," which is being conducted in the Sunday schools.

That Canadianization means making British subjects out of 275,000 people speaking 70 languages in Alberta, was emphasized by Mrs. W. W. Ross.

"To imbue these people with a respect for our laws, the spirit of fair play, religious tolerance, our word of honor, temperance and social health, takes time, education and patient training, not by a few outstanding workers, but by every one of us if we would catch up with our task," she said.

"I think we should discourage too great an influx of the classes of people in whom it is hard to plant the seeds of British tradition. Let them come, but more slowly, so that we can assimilate them," said Mrs. Ross.

The W.C.T.U. supports a Ruthenian worker, Mr. Nick Lopsensky, who covers a territory of 60 to 40 miles. He must in every instance create a friendly attitude in the community through personal contact.

The L.T.L. report given by Mrs. R. S. Martin of Edmonton, showed a big gain in this department, which has increased from 5 to 12, with a membership of 338, as against 131 last year. Young People's Union work, reported by Mrs. Lonsberry of Lethbridge, showed study groups formed on side-lights from Shakespeare. Great interest is being taken in the coming visit of Miss Edith Gilles, Dominion secretary of Brockville, Ont., who will organize girls' branches throughout the Province during November.

U. OF A. PRESIDENT WALLACE INSTALLED

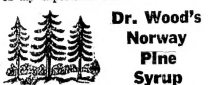

Edmonton, October 11.—With pomp and circumstance, impressive and dignified ceremony and in the presence of one of the most distinguished gatherings in the history of the province, the special convocation of the University of Alberta was held on Wednesday afternoon. It was called for the dual purpose of installing Dr. Robert Charles Wallace as president, and conferring upon Hon. R. B. Bennett, K.C., M.P., the honorary degree of Bachelor of Laws.

Premier J. E. Brownlee and members of the provincial cabinet, judges of the appellate division of the Supreme Court, and a majority of judges of the trial division and many high governmental, civic, ecclesiastical dignitaries, were in attendance. So were many representatives of the public as a whole and professors from nearly all universities in Canada. The galleries were filled with first-year students, sitting in on their first convocation.

Promptly at 2:30 p.m. the academic procession entered the hall. Accompanied by the magnificent memorial organ, erected in memory of those university students who yielded their lives in the Great War, the congregation sang "O Canada," and following this Rt. Rev. Henry Allan Gray, M.A., D.D., L.L.D., Anglican bishop of Edmonton, delivered the invocation.

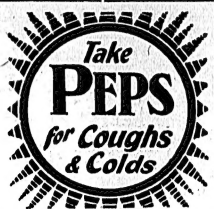

Bronchial Cold Left Her with a Dry, Hacking Cough

Mrs. A. Primeau, 38 Ingram St., Chatham, Ont., writes: "I am pleased to take this opportunity of telling you of my experience with

Dr. Wood's Norway Pine Syrup. "Early last winter I suffered from a severe bronchial cold that left me with a provoking dry, hacking cough. After being bothered with it, both day and night, for some time I had a professional nurse recommend the above cough syrup which I took with wonderful results, and, now, it is the only remedy I ever use for colds."

Price 35c. a bottle; large family size 60c. at all druggists and dealers. Put up only by The T. Milburn Co., Ltd., Toronto, Ont.

Then the chancellor of the university, Dr. A. C. Rutherford, first promoter of the province, installed Dr. Wallace as president. Dr. Wallace, said Dr. Rutherford, had been connected with the University of Manitoba for 13 years, and would bring to Alberta the same brilliant scholarship and vast knowledge as he had given to Manitoba.

Dr. Wallace, in his address, said he would endeavor to carry creditably the "distinguished mantle" of his predecessor. He lauded the pioneering work of Dr. Tory and said it would never be forgotten by the university and the province. Education today was faced with the sharpest kind of criticism, he said, and it would be the duty of the University of Alberta to fill the requirements of the people and to maintain and raise the standards of thorough and more diligent study civilization by means of a more of the arts and science, and to fulfill the ideals of democracy upon which the university was so deeply founded.

Following the conferring of the degree on Hon. R. B. Bennett, the new Bachelor of Laws delivered the convocation address, taking as his theme "What is a University for?" He reminded his hearers that last year the university cost every taxpayer in Alberta one dollar, and that one out of every 400 residents sent a representative to the institution. As a result the people expected the students to leave the institution as polished gentlemen and highly cultured citizens, who could be depended upon to carry the banner of civilization and education at its highest and spread abroad a greater culture.

OBJECTS TO EXAGGERATED REPORTS OF WHEAT CROP

Lashing out at newspapers for publishing what he termed untrue reports about Western Canada's grain crop ranging from 500,000,000 to 700,000,000 bushels, thereby causing a lower price for wheat, Hon. Geo. Hoadley, Minister of Agriculture, declared that millions of dollars had been taken out of the pockets of people of Alberta, and every other part of the west, as a result, in an address at the banquet given under the auspices of the Camrose Exhibition Association on Tuesday evening. The occasion was the presentation of prizes to winners in the good farms and field crop competition in that district, especially the presentation of the Edmonton Board of Trade challenge cup, donated by James Ramsey, for the best field of wheat in Central and Northern Alberta.

Alberta's wheat crop has been frozen to the extent of from 40 to 50 per cent, declared Hon. Mr. Hoadley, in bringing his verbal guns to bear on the grain situation. He followed up by declaring that Saskatchewan is in much the same position as this province with regard to frozen grain.

The minister gave no estimate on the grain yield for Alberta this year, contenting himself with pointing out that some two months ago he had stated that if the net result proved as good as last year, people would be fortunate.

"Why do we have these reports about our enormous crops in the newspapers?" asked the minister. "They only have the effect of depreciating the price, and to say that the crop is from 50,000,000 to 100,000,000 bushels higher than last year is not a fact."

Reports of a big grain crop worked to the advantage of certain interests, and this was hinted at by the minister as being largely responsible for the exaggerated yield estimates. He asked what was the use of trying to get new settlers in the country and at the same time be faced with reports that were a curse to the farmers who are here.

"Nothing but the truth is necessary to get people to come to this province," declared Hon. Mr. Hoadley, who went on to point out that the "kick-back" came when newcomers were disappointed through too rosy a picture having been drawn of the prospects.

Taking another wallop at the press, the minister showed his distaste for officials that boasted things to the skies. These only did harm to the man who is here, he declared.

The minister then referred to the drop in grain prices just when the last of the old crop was being marketed. He claimed that this had caused heavy losses to the grain producers, while it knocked a heavy percentage off of the final returns.

"Mind you, I don't think that you are going to have any trouble getting a good big price for your wheat," said Mr. Hoadley. "Grain men are now getting the facts and the results will be seen. I have already made a bet of a box of cigars that wheat will be \$1.50 per bushel before next May."

Referring to surveys of wheat fields in the southern part of the province,

ANOTHER "HOLT" TRIUMPH

Three weeks ago we published in this paper an invitation urging you to investigate what HOLT COMBINED HARVESTERS were doing in your District.

We asked you to make comparisons between the SWATHER and WINDROW PICK-UP System of the HOLT method as against other means of handling grain, and also competitive machines.

You found that our statements were correct—that HOLT was the only 100 per cent perfect system—that users of this method had successfully harvested their crops while stocks were still out in the field—that their grain averaged as high as that gathered by any other method—that they had saved from ONE to THREE bushels per acre in handling and from 15 to 18 cents per bushel on operating costs.

That the ORIGINAL COMBINE—the "Holt"—wins again over all competitors and imitations.

That users are convinced that harvesting by the HOLT method is the solution of the farmers problems in Canada.

This is the reason why we urged you to investigate while the season was on and we trust you will get an order in early for your HOLT COMBINE FOR THE 1929 SEASON

WEST'S NEW PLAYGROUND

Prince Albert National Park, Saskatchewan, which was opened officially on August 10, became to the people of Western Canada one of the finest playgrounds on the continent. Its borders enclose 1,400 square miles of forest, lake and stream, where all is to be found that goes to make a holiday memorable.

Prince Albert National Park lies about 30 miles north of the city of Prince Albert, which is served by many lines of the Canadian National Railways. A fine motor road runs from the city to Lake Waskesiu Lake, in the heart of the park, where the opening ceremonies will be performed by the Rt. Hon. W. L. M. King, Prime Minister of Canada, Premier King represents Prince Albert in the House of Commons, and his constituents are presenting him with a cottage on this lake.

In addition to the Prime Minister, many other men notable in the public life of Canada, will attend. The programme will extend over a period of two days and special housing accommodation has been arranged by the committee.

The photograph shows a view on Kinesare Lake, a typical body of water in this new and beautiful playground of the nation.—Photograph by Canadian National Railways

HILLSIDE

The stork visited the home of Mr. and Mrs. J. G. Bolt on Wednesday of last week and left a baby girl. Mother and daughter are doing well.

Miss Jean Foster of the Sparling School District, spent the weekend with her sister in Hillside.

There will be a dance at the school house on Friday, November 2nd, in aid of the piano fund. Good music and a good time is assured.

Leslie Swartz was an Edmonton visitor on Saturday.

Mr. and Mrs. S. Jessup of Wetaskiwin, spent Sunday with Mr. and Mrs. W. H. Webb.

A number of the U.F.A. members accompanied their husbands to the U.F.A. meeting held at the home of Mr. and Mrs. Carl Runtz on Friday evening last, and report a real pleasant time.

Mr. F. C. Hamilton, accompanied by his niece, Miss C. G. Hamilton, were Sunday visitors at the home of Mr. and Mrs. E. R. Hoskins.

Eva—"Yes, Helen asked who fixed up your hair."

Edna—"I wonder if she means the name of the hairdresser?"

Eva—"Maybe she means the name of the drugist."

ALBERTA FUR TRADE ADVANCES

Edmonton, Oct. 10.—The fur trade of Alberta has to its credit for the year ending June 30, 1927, a total production of \$2,256,353, according to the official report of the Dominion bureau of statistics, now in the hands of B. Lawton, the provincial game guardian. This is a slight advance over the figure for 1925-26, which was \$2,122,775.

Alberta moves, however, from third place in the Dominion to fourth, the Northwest Territories exceeding it in fur output by about \$700,000.

The premier place among the provinces is again taken by Ontario.

The total production for all Canada is put at \$15,833,977, a compared with \$15,072,244 in the year preceding.

Muskkrat was the leader in Alberta in point of value of pelts, with a total of \$582,348; coyote, \$504,180, was second; beaver, \$228,825, third; and ermine \$164,650, fourth.

BORN

BAILEY—At Angus Ridge on the 15th inst., to Mr. and Mrs. J. Ward Bailey, a son.

BOLT—Near Millet, on the 10th inst., to Mr. and Mrs. J. G. Bolt, a daughter.

LINDGREN—At Crooked Lake, on the 4th inst., to Mr. and Mrs. Axel Lindgren, a son.

GIST—On the 8th inst., to Mr. and Mrs. J. Gist of Falun, a son.

HOYLE—On the 9th inst., to Mr. and Mrs. Percy Hoyle, of the Wetaskiwin district, a son.

HAY—On the 16th inst., to Mr. and Mrs. Adolph Hay, a son.

HOW THE FRENCH POLICE WORK

Police in most of the large French towns can summon help without being heard. They are supplied with whistles whose notes are far too high-pitched for the human ear to detect. These inaudible sound waves are picked up by microphones skilfully camouflaged throughout the city, and an alarm is flashed to central police headquarters.

A policeman who sees a burglar at work can summon reinforcements without alarming the suspect. He can, too, direct the sending of aid in Morse code by using the soundless whistle.

NEW POSTAGE STAMPS HAVE BEEN ISSUED

Radical changes in design feature the new Canadian two-cent stamp, supplies of which are now on the market. The most outstanding alteration in the stamp is that it is now bilingual, a change which French Canadians in all parts of Canada have long been urging. Instead of the words "Canada Postage" across the top of the King's head, "Canada" alone appears there, while the figure is flanked by the words "post" and "postes." The word "two" has also been obliterated, while the figures "2" are greatly increased in size. In the new stamp, the King is shown almost full-face instead of profile.

EDMONTON WOMAN DIES OF INJURIES

Edmonton, Alta., Oct. 17.—Injured Sunday afternoon when the car in which she was riding rolled over the embankment on the Dawson Hill road, near the bridge over the Saskatchewan, Mrs. C. H. Craig died at a local hospital here yesterday. Mrs. Craig was in a car driven by her husband, and with them was their young son.

What has been called "the dead heart of Australia," is now found to possess enormous grazing areas for cattle raising.

Makes Life Sweeter

Next time a coated tongue, fetid breath, or acrid skin gives evidence of sour stomach, try Phillips Milk of Magnesia!

Get acquainted with this perfect antacid that helps the system keep sound and sweet. That every stomach needs at times. Take it whenever a hearty meal brings any discomfort.

Phillips Milk of Magnesia has won medical endorsement. And convinced millions of men and women they didn't have "indigestion." Don't diet, and don't suffer! Just remember Phillips. Pleasant to take, and always effective.

The name Phillips is important; it identifies the genuine product. "Milk of Magnesia" has been the U. S. registered trade mark of the Charles H. Phillips Chemical Co. and its predecessor Charles H. Phillips since 1876.

PHILLIPS Milk of Magnesia

You Can Quickly Limber Up Sore, Stiff, Swollen Joints

Even Chronic Rheumatic Swellings in Knee, Elbow, Shoulder or Joints Yield to the Mighty Powerful Influence of JOINT-EASE.

It's here, right in town and every live drugist has it. It's a low price remedy, to be sure, but that doesn't stop it from taking the kinks, lameness or torture out of your troubled joints.

Joint-Ease is the name, so called because it is compounded solely for the purpose of relieving all joint ailments. Just rub it on the tormented, lame

joints and in just a few seconds it will penetrate to the bone and blessed comfort comes quickly.

It absorbs instantly and is so clean and stainless that you can rub it on often and thereby get results much more quickly, when the joint is inflamed and the agony intense.

Being such a powerful counter irritant, it cannot help bringing speedy and helpful results to congestion, sore throat, chest colds, lumbago and neuralgia much quicker than almost any remedy you can buy.

But you must remember that it is for joint ailments that it is mostly dispensed and its helpfulness will astonish you after all ordinary liniments and other treatments have failed.

IN MEMORIAM

In loving memory of Margaret Ann Lucas, who passed away on October 20th, 1922. Time may wipe out many things, But this it wipes out never, The memory of those happy days When we were all together. However long our lives may last, Whatever lands we view, Whatever joys or griefs be ours, We will always think of you. Inserted by Husband and Family.

MOST people know this absolute antidote for pain, but are you careful to say Bayer when you buy it? And do you always give a glance to see Bayer on the box—and the word genuine printed in red? It isn't the genuine Aspirin without it! A drug-store always has Bayer, with the proven directions for its many uses tucked in every box:

Aspirin is a trade mark registered in Canada

NOTICE

MUN. DISTRICT MONTGOMERY NO. 458

The Council wish to give notice that all pay sheets for dragging or road work done during the season 1928 that have not been presented, must be in the O.M.C. of the Secretary before Saturday, Nov. 3rd, or they cannot be dealt with this year.

GODFREY BAKER, Secretary-Treasurer. 31-1tn

NOTICE

MUN. DISTRICT OF BIGSTONE NO. 459

For the convenience of Ratepayers living adjacent to Millet I will be at the Community Hall, Millet, on Saturday, November 3rd, for the purpose of receiving taxes.

T. S. STEEDMAN, Sec.-Treas. M.D. 459. 31-1tn

A widower had a head stone erected over his wife's grave with the tender inscription thereon: "The light went out of my life." He took a second wife a few months later, and on subsequently visiting the grave was surprised to find some wax had scrawled under the inscription: "But I've struck another match."

The Times invites the cooperation of residents of the country districts. Correspondents from districts not now represented in this paper are requested to write in for correspondence paper and particulars.

NOTICE

Public Notice is hereby given that during the months of October and November applications may be made under the provisions of Section 154 of The Municipal District Act for inclusion in the voters' list of the Municipal District of Montgomery, No. 458, on the part of relatives of persons upon the voters' list.

The wife, husband, father and mother and every son and daughter of any person whose name appears upon the voters' list are entitled to be placed upon the said list—

(a) If he or she is a resident upon land of the said person within the municipal district or assists him in a business in respect of which he is taxable and

(b) If he or she is of the full age of twenty-one years; and

(c) If his or her name does not already appear on the list as a voter; and

(d) If he or she duly makes application in accordance with this notice. For this purpose the office of the Secretary-Treasurer will be opened during the usual office hours every day in the said months which is not a legal holiday.

GODFREY BAKER, Secretary-Treasurer. 31-3tn

Magistrate (to prisoner): If you were there with no dishonest purpose, why were you in your stockinged feet?

Prisoner: "I heard there was sickness in the family, your worship."

Look at the label on your paper.

THE POOR THING

On a snowy afternoon in a cozy room, no more delightful occupation could be conceived of than this, of making arrangements for a party. Emily was sitting at the old-fashioned spinet desk while Pauline at the window glanced up and down the street trying to decide on who next?

"There's Mrs. Wilson," she said. "We mustn't forget her."

"I've got her down," Emily nibbled her pencil thoughtfully. She was the younger of the two sisters, a slender, graceful woman past middle age. Pauline closely resembled her. Added to their looks they had the refinement and dignity that comes from quiet ways, plenty of means and a taste for culture.

"Oh! There's Mrs. Spickie!" Emily exclaimed.

"Mrs. Spickie!" Pauline looked slightly alarmed. "Oh! Yes!—I suppose we mustn't leave her out?"

"It wouldn't be kind," Emily said. "She might feel hurt. And we are quite safe to ask her, dear. She never goes out anywhere."

"I know she doesn't, poor thing," Pauline sighed. "Well, we will ask her then. Has she a telephone?"

"I'll see," Emily rummaged in the directory. "No. She hasn't a telephone. You'll have to send her a note. Will you write it? You have a gift for notes."

In all that neighborhood Mrs. Spickie was the one odd member. She was a woman of middle age, childless, with a husband who humored her foolishly. Just lately he had received a great sum of money through the death of a relative, and everybody was wondering what good

this new fortune would do them. Certainly Eunice would never spend any of it, either upon herself or other people. She was a woman of narrow and selfish habit of life whom most people avoided. But she was a neighbor, in the eyes of the Bartlett, and as such must not be overlooked.

By the following afternoon the sisters had received acceptance to all their invitations save one. Mrs. Spickie as yet had made no sign.

At three o'clock the sisters were ready to receive their guests. Excitement filled their pretty faces with a sweet color and made their blue eyes sparkle.

Somewhat just started the old-fashioned game of gossip when the doorbell rang loudly, imperiously. It was Mrs. Spickie who stood there.

"Guess you're surprised to see me!" she said. "But I thought I'd come and make you twice glad—when I came and glad when I went away."

"I am sure you have made a real effort, and I am glad to see you," Emily said. "Just go upstairs, please, the room to the right—and leave your things."

Mrs. Spickie went upstairs. She was gone a long time.

"What can she be doing?" Emily asked herself. She thought she heard a bureau drawer open and close. It couldn't be—No! Of course not. She was as unused to entertaining such a horrid suspicion.

Presently Mrs. Spickie appeared at the head of the stairs. At sight of her Emily gave another gasp. Mrs. Spickie was brave in her best finery—a green tulle skirt, a red blouse, very short of sleeve and low of neck, white canvas pumps and carelessly trailing from her shoulders a brilliantly printed scarf.

"I thought I might be a little cold so I brought my scarf," she said smilingly.

Emily, with perfect grace, ushered her into the parlor. Her entrance produced an unamiable sensation. Even Pauline showed an instant's lack of self-possession, but she rallied beautifully. The other women followed Pauline's lead and greeted Mrs. Spickie socially.

Mrs. Spickie, however, seemed to be intent on but one thing—to get to the register as quickly as possible. And when she arrived here she bunched her chair as close as she could, and planted her feet upon the grate. Thereafter nothing could move her. She cared nothing for the games played and her only contribution to the conversation was concerning the price of coal, the cold weather, and her fear of getting a chill.

The sisters had arranged a buffet lunch in the dining room, and when the signal was given to the guests to repair thither, Mrs. Spickie bolted, actually bolted, in order to be the first on the spot.

"Tea?" she inquired. "Oh—what kind of tea? Oh. Well, I don't mind drinking it if it is made weak—very weak."

It was over at last and the guests departed. But where was Mrs. Spickie? Pauline at last found her sitting in her old place on the register.

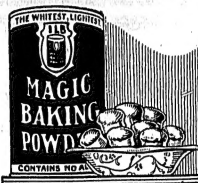

"I thought I'd stay a spell longer," she remarked. "I want to look at your curtains. Did you make 'em yourself? And what did you have that black streak on the bottom for?"

"It came that way," Pauline explained faintly.

Mrs. Spickie stay a half hour and then departed reluctantly.

"I've had a splendid time," she said. "I don't get out often, but now that we've got all Aunt Jemima's money I've a notion to see what society is like."

To the last the sisters maintained

The Secret of Successful Baking

consists very largely of choosing a baking powder whose leavening qualities are uniformly reliable.

Magic Baking Powder is the powder that never fails you. This is the reason why it is by far the most popular baking powder in Canada.

MAGIC BAKING POWDER

their courteous air. But once alone they fell upon the davenport and gazed and gazed at each other. They did not laugh, they did not rage; their hearts were too gentle.

"The poor thing," was all they said.

A GOSSIPY TONGUE

"A gossip tongue is a dangerous thing."

If its owner allows it to start; He can give whom he chooses full many a tinge.

That will woefully linger and smart. But the gossip tongue would be for causing heartburn and tears

bailed in its plan. If it were not helped out by the misguided man.

Who possesses two gossip ears.

"Oh, the gossip ears are the ones that believe."

The evil reports they are told; The sly, subtle tales which they gladly receive.

Would tarnish the purest of gold. The cruel "They say" which go floating about.

Like a hidden foe fostering fears, Would lose all its force, were it firmly shut out.

By the man with the gossip ears.

"When the man with the gossip tongue happens by."

With his stories of evil and strife, We ought just to look him right square in the eye.

And ask him his mission in life. We ought to refuse him a chance to retail.

The false, idle rumor he 'hears', He ought to be locked up somewhere in a jail.

With the man with the gossip ears."

WHEAT POOL NEWS BULLETIN

The Alberta Wheat Pool has made its final payment, this being 23c per bushel for wheat delivered to the 1927-28 Pool, except for a few minor grades. The total of this payment was \$1,955,692.58.

The Pool paid the following prices for wheat delivered from the 1927 crop: 1 Northern \$1.42; 2 Northern \$1.35; 3 Northern \$1.25; No. 4 \$1.14; No. 5 \$1.01; No. 6 92c; Feed 85c.

When the Wheat Pool distributed its second interim payment last July, 4c per bushel were retained to provide for elevator reserve, commercial reserve and administration cost. It was found but 3 1/2c per bushel were required for these purposes, so the one-half cent balance was included in the final payment along with the 2 1/2c per bushel received from the Central Selling Agency.

The administration costs during the past year were 9-20 of a cent a bushel. The elevator reserve deduction was 2c per bushel, and the commercial reserve was 1-20c.

The elevator reserve now totals approximately \$3,650,000. This money has been used to pay for over 300 elevators and the Alberta Pool's share of the terminal elevator at the Head of the Lakes. The commercial reserve now totals approximately \$1,750,000.

These reserve funds are required to develop the physical facilities of the Wheat Pool that the organization is extending very rapidly at the present time. An aggressive elevator building program is being carried out.

Each member is credited with his share of the elevator reserve and commercial reserve according to the number of bushels delivered. Interest at the rate of 6% is paid to each member in cash. In this way a real asset is being built up for the growers and at the same time the organization is building up a comprehensive and modern elevator system.

The issuing of the final payment for

the 1927 crop ends the business of the Wheat Pool's first 5 year contract period. During that time the Canadian Wheat Pool handled approximately 750,000,000 bushels of grain, with a turnover of one billion one hundred million dollars.

The Pools are entering the second contract period with a splendid membership, increased confidence and \$20,000,000 in physical assets. They are now handling the bulk of their own grain and are working steadily and surely on comprehensive plans to develop Pool facilities all along the line.

In making this final payment the Alberta Wheat Pool issued 47,000 cheques. This required the labor of 40 employees for three weeks. Before cheques are issued the ledger accounts have to be balanced in bushels and in dollars and cents. Then the cheques are issued and balanced. In this way the number of errors are at a minimum.

ALBERTA BUTTER MAKE DOWN TEN PER CENT

For the first eight months of the year, figures which have been compiled by the provincial department of agriculture, dairy branch, indicate a reduction in the quantity of creamery butter made in Alberta at 10.6 per cent. This cover from January 1 to August 31.

Dr. C. P. Marker, head of the dairy work of the province, in discussing the reduction, stated to The Market Examiner that the combination of good grain crops and high cattle prices this year worked against milk production, bringing about a condition that is occasionally met with, but is somewhat exceptional, and must not be taken as indicating a definite or permanent trend of dairying.

It will be somewhat surprising to note that the southern part of the province shows a smaller percentage of reduction than either the central or northern districts. The percentage of reduction in the south was 7.6 per cent; in the northern part of the province 9.1 per cent, and in the central section 13.9 per cent.

MUNICIPAL PLANTS SOON DEAD AS DODO IN ALBERTA

Edmonton, Oct. 11.—Municipally operated electric light and power plants will soon be as extinct as the dodo in the province of Alberta, if the present rate of development of power supply by private companies under franchise is maintained, states E. J. Fream, provincial board of public utilities commissioner.

Within the last two years alone not less than 104 villages, towns and cities have taken their light and power under franchise from one or other of the large private concerns, and this does not include four places which have working agreements to purchase power from these corporations. From Coumbs, in the extreme south of the province, to Grande Prairie in the northwest; to Athabasca in the north; to St. Paul in the northeast; to Lloydminster in the east, and to Edmonton in the west, the trail of the franchise leads, and the end is not yet.

Today, south of Red Deer, only four places are still operating municipally.

High power lines to carry hydro electric service as far north as Leduc must be built, under existing contracts, not later than November 30, and today these lines are well north of Red Deer. By this date next year, predicts Mr. Fream, the entire province will be threaded with power lines, running into every corner of Alberta.

AUCTION SALE OF IMPROVED FARM LANDS

Acting on instructions from Mr. F. M. LEE, who is disposing of his holdings, I will sell at the

Town Hall, Ponoka, Wed., Oct. 24, 1928
at 2 o'clock in the afternoon

LOCATION. All of Sec. 12-43-26 and the West half of Sec. 7-43-25, W. 4th Mer., comprising 243 acres, of which 400 acres are under cultivation, part of which is summerfallow, all fenced and cross fenced and situate two miles west of Ponoka on the Calgary-Edmonton line of the C.P.R., and has Telephone and Mail Delivery.

THE LAND. The soil is without doubt (as inspection will prove) the best in Central Alberta, being a mellow deep Black Loam and clay subsoil; is admirably suited for grain, or mixed farming; Peavine and Vetch grow in abundance; the land is high, sloping gently to the south and east; excellent drainage; and free from stone or gumbo.

BUILDINGS. There are two sets of buildings, one on the S.E. 1/4 12, and one on the N.E. 1/4 12, one large Frame House, 8 rooms bath and plaster, and Frame Outbuildings; one six-room Frame House, Frame Outbuildings, both sets nicely situated. Inspection solicited.

WATER SUPPLY. Abundant supply of most excellent Water, from two Wells, conveniently located in each yard.

ROADS. Good roads through the Ponoka district.

TERMS. The land can be purchased in Block, or will be sold in parcels to suit the purchaser; one-third of the purchase price to be paid in Cash on production of Agreement For Sale duly executed, and the balance in seven years. Interest at 7%.

It is much easier to tell the truth than to keep a lie whitewashed.

Heart Palpitating
Made Her Throat
and Chest Throb

Many people may be unaware of having anything wrong with their heart till some little excitement, overwork or worry starts it to palpitate and throb, skip beats, beat fast for a time and then so slow as to seem almost to stop, then it causes great anxiety and alarm.

Mrs. O. Hicks, Chaffield, Man. writes:—"I used to be very bad with palpitation of the heart and sometimes, with the least excitement, it would seem to beat very fast and make my throat and chest throb."

"I was told by a friend to try

MILBURN'S

which I did, and before I had taken half the box my trouble had stopped."

Price 50c. a box at all druggists or dealers, or mailed direct on receipt of price by The T. Milburn Co., Ltd., Toronto, Ont.

MILLET LOCAL NEWS

Mr. W. Lytle has taken a position in the office of Strong and Dowler.

Mr. and Mrs. A. H. Parker and Miss Ethel of Wetaskiwin, were visitors in town on Saturday.

Glyde and McLaughlin of Edmonton, had a number of used cars on sale in town on Saturday.

Mrs. E. A. Smith of the Hardisty teaching staff, is spending the week at her home in Millet.

Mr. F. G. Day of Edmonton, was the guest of Mr. John West on a duck shooting expedition on Monday.

Mrs. Chas. Moll and Mrs. Theo. Moll, both of Wisconsin, spent a week visiting their sister-in-law, Mrs. A. D. Rupert.

Chicken Dinner, 5 to 8 p.m., in Community Hall, Friday evening. Served by the ladies of Millet United Church.

Mrs. Harry Stuart returned home on Saturday from the Wetaskiwin hospital, where she underwent an operation recently.

Miss C. Kennedy of Spring Hill School, Mulhurst, spent the week-end in Edmonton, returning by car on Sunday afternoon.

The delightful open weather is a boon to farmers in getting threshing operations wound up and giving a rare opportunity for fall plowing.

Charlie Chaplin in "Easy Street," in Pinyon's Hall, Friday evening at 8 o'clock, also "Peggy," in five big reels. Don't miss it. Admissions 10c O.P.

Little Erel Shall had a painful accident on Sunday at Benedict's Bird Farm, when a car hit her from the side, breaking and bruising her leg. She is progressing as well as can be expected.

A number of the ladies of the United Church spent Thursday placing in the frames and quilting a ribbon quilt for their bazaar to be held early in December. Following the quilting, Mrs. Macdonald served afternoon tea in the parlour.

HARVEST HOME SERVICE
The annual harvest home service of the United Church, Millet, was held on Sunday afternoon last, Rev. R. McMillan, B.A., B.D., pastor of Central Church, Edmonton, was the speaker.

He spoke on the subject of God's providential care and aim in the giving of the fruits of the earth. It laid duties and obligations upon the individual towards God the home and towards society and gave a great opportunity to world service. Stressing wants supplied first and then remuneration for toil. Disclaiming all first hand knowledge of farming, he yet discussed in an interesting way, the problems involved in this, the basic of all arts.

A local choir led in the service of song. They were assisted by Mrs. W. and Mrs. Buchanan of Wetaskiwin, and also by a quartette from the same town, consisting of Messrs. Thompson and N. MacEachern and Mrs. McMurdo and Miss Ward, who sang very harmoniously "My Task."

The local men's chorus rendered acceptably the selection "Will your anchor hold in the storm of life?"

Mr. Buchanan, of Wetaskiwin, presided at the piano and assisted materially in the musical numbers.

Thanks are due to all who co-operated.

The church was beautifully decorated with products of the farm and gardens.

If you have anything to say to a mule it is safer to say it to his face.

A mule makes no progress while he is kicking, neither does a man.

THINK IT OVER!

Among all the potent elements in the power of persuasion, there is none more effective than that manful character that enables the speaker to look the other fellow squarely in the eye and not be ashamed.—Sheldon.

COLONEL WEBB TELLS LADY HOW HE GOT WOODEN LEG

The popular belief among many Americans that Canada is wholly without in the rigid zone becomes more intensified the farther south one travels. Most of the southern states know little about their northern neighbor and care less. More than that, they even resent having their preconceived misconceptions disturbed.

A little over three years ago Col. Ralph Webb, at that time mayor of Winnipeg, conducted a motor caravan from the Manitoba capital to the Gulf of Mexico. This was known as "The Pine to Palm Trip," and it was hoped that the publicity secured would be beneficial to Canada.

Like most such enterprises, however, the results did not measure up to expectations. Some of the southern folks felt that they were being hoodwinked.

In a little town where the caravan halted overnight one buxom lady had the bright idea of staging a social affair, the main attraction of which was a visit to the camp of the Canadian tourists. She had evidently prepared her guests for a real treat, and the appearance of Col. Webb and his fellows was a bitter disappointment.

"Are you really Canadians?" she asked, petulantly. "Why, you look just like ourselves!" I expected to see something original!

"What did you think we'd be like, madam, if I may ask?" inquired the mayor of Winnipeg.

"Well, I've always been given to understand that Canadians dressed in skins, travelled on snowshoes, lived in igloos and ate blubber most heartily."

"Perhaps you're thinking of Eskimos?" suggested the colonel.

"There's no difference between Eskimos and the real Canadians," retorted the lady, emphatically.

Col. Webb did not argue the point. The visitor was not in a mood to consider the facts calmly. In any case, her attention was soon diverted by the pronounced limp that has handicapped Col. Webb's walk ever since he lost a leg in France during the war.

"Oh, are you equipped with an artificial leg?" she asked, rather crudely.

"Did you have it frozen off in a snowstorm?"

"No, madam," answered the long-suffering Canadian, somewhat stiffly. "It had bitten off by a crocodile one Christmas Eve when I was hunting mosquitoes on my tundra back of the North Pole."—Journal.

AN ODD PAIR
Two Scots had met once again after a number of years. In the meantime one of the pair had become affluent.

"He's a cleg, Sandy, mon," he said to the other.

The cigars were lit and after a puff or two Sandy was moved to speak.

"Sic monies man ha'e cost ye a deal o' siller," he observed.

"Nae sae muckle," replied the rich man, "a matter o' five shillings the two to a shilling."

Then came a pause while they puffed away in silence.

"Mon," ventured Sandy eventually, in the tones of one making a great discovery, "Ah'm thinkin' yours is the fur-an'cinepeny yin."—Journal.

"The thermometer was a hundred at noon yesterday," said the man who watches the weather. "Today it is down to 35."

"My!" rejoined his wife, absent-mindedly, " Isn't that a bargain?"

MILLET LOCAL NEWS

Rev. R. McMillan of Edmonton, motored to Millet on Sunday with Mr. W. H. Pacey.

Get your Chicken Dinner at Community Hall on Friday evening, and see Charlie Chaplin in Pinyon's Hall at 8 o'clock.

Miss Gwen Christie, with Miss Henderson of the Wetaskiwin teaching staff, and Miss Evelyn Christie, who is attending High School in Wetaskiwin, spent the week-end at their home.

Mr. and Mrs. J. L. Walker, Mr. and Mrs. H. R. Pacey and son from Wetaskiwin, and Mr. W. H. Pacey and Mrs. H. Pacey of Edmonton, were guests of Mr. and Mrs. P. Pacey on Sunday.

The W.A. met at the home of Mrs. A. P. Mitchell on Thursday last, with Mrs. Bowker in the chair. Eleven members and one visitor were present and preparations were discussed for the bazaar to be held on November 7th. The meeting next week will be held on Thursday at the home of Mrs. Bowker.

A very interesting hour was spent in the United Church on Monday evening, when lantern views were shown by Rev. L. R. Macdonald, illustrating the work of the church in the Peace River country. There was a good attendance and all enjoyed the views of this district, which has had so much publicity recently. Mr. Stanley Scott operated the lantern very efficiently.

MOTOR ACCIDENTS
While returning from Wetaskiwin on Sunday afternoon, Mr. Dan Knall figured in an automobile accident near Millet along with two other cars, three meeting in a "jam." Mah Yuen, an Edmonton Chinaman, who was riding in one of the cars being driven by another Chinaman, had one of his eyes so badly injured by splintered glass that it had to be removed after his admission to the Royal Alexandra hospital. With Mr. Knall in his car were Mrs. Knall and their daughter, Emma, all of whom escaped without serious injury.—Leduc Representative.

Stuart Duncan, the 15-year-old son of Inspector and Mrs. Duncan, Red Deer, had a narrow escape from more serious injury in an auto upset north of Wetaskiwin on Saturday morning. Inspector Bavin, A.P.P., was driving north from Calgary to Edmonton, and gave Stuart a ride from Red Deer. Slowing down in rounding a curve four miles north of Wetaskiwin, the brakes did not work apparently, and over went the car into the ditch, taking two overturns and landing right in the ditch.

Stuart was thrown out in the overturn, but the Inspector was carried with the car. Both were sorely bruised and somewhat cut, but fortunately were not more seriously injured. The car was badly wrecked.—Red Deer Advocate.

IT MAY YET COME TO THIS
If the prevailing tendency to get married on approval, and the revolt against long existing matrimonial conventions continue and become legalized, says "Nuggets," we will eventually take up our papers and find among the "want ads." some such propositions as these:

For Sale—Dashing young wife, ultra classy model, guaranteed blonde, new outfit and permanent wave only last month. Easy terms or will take used diver in exchange. Address P.O.

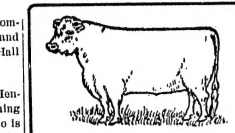

For Exchange—Husband, 1910 model, size 17 collar; partly bald but a steady worker and handy around home. Prefer a 1925 sheik who knows all the latest steps and best cabarets. Address Trixie.

For Sale—Wife, strong, healthy, red headed, good talker; also baby buggy, twin size, somewhat worn, but still serviceable. Will accept real estate in Florida or Alaska in lieu of cash. Address Anxious.

For Exchange—Wife, swell looking and fine dresser. Want a plain looking woman, good cook and some cash. Address Anemman.

For Sale Cheap—Young husband, practically new, good looking; champion pool and poker player Will throw
